Thank you for your generous gift valued at \$ 1,012.00 on April 21st, 2017. Your financial support means so much to the over 300 people that we serve here at Cornerstone Community Outreach!

Being homeless in a big city like Chicago that has notoriously brutal winters is very challenging . Because of the weather, we at CCO have greatly increased the number of people that we are serving on a daily basis. In February, some of our clients and staff put together a Black History Month celebration. It was so encouraging to see people of several different ethnicities stand up on a stage and read a poem, sing a song, or tell a story honoring Black History Month. As well as the presentations, there were treats for everyone—because no party is complete without treats! We like to encourage our families to have fun together. Being a resident in a shelter can be very stressful, so by hosting events like these, we hope to bring a little joy and peace to each person staying with us.

Have you checked out our website lately? It is www.ccolife.org. We have more great stories and experiences to share with you there. One easy way to support Cornerstone is through AmazonSmile. Go to Smile.Amazon.com and choose Cornerstone Community Outreach as your Amazon charity. Millions of Amazon items are eligible and 0.5% of your total cost goes to CCO. There is no limit to how much Amazon will give!

Through your donations, physical and financial, you are a part of empowering and encouraging our homeless population in their next steps, and we thank you for being a supportive neighbor! Please keep in touch and let us know if we can be of any assistance to you.

Sincerely,

Carol Trott
